

# Morison KSi expands representation in France

André & Associés has joined the association to represent the French region of Bourgogne-Franche-Comté.

Thierry André, Partner

Morison KSi is delighted to announce the appointment of André & Associés, a first-class accounting and business advisory firm headquartered in Beaune, France. André & Associés is a large, multidisciplinary firm with international experience and visionary strategy.

Founded in 1946, the firm has been growing significantly ever since to become a key provider of professional services in the French region of Bourgogne-Franche-Comté. The specialties offered by the group are broad and demonstrate the firm's open-minded approach towards extending its offering. Partner Thierry André, who will also act as the firm's International Liaison Partner, explains:

*"We develop complementary offers to build a 360° experience for our clients. We aim to provide a customer with most of the professional services they need to run their business so that they can concentrate on their business."*

The firm's client base encompasses various types of companies but the main niche activity of the firm revolves around wine production and distribution in the French region of Burgundy.

Upon the appointment, Partner Thierry André, shared his enthusiasm:

*"We are very proud and happy to join Morison KSi, and have a strong will to actively contribute to the development of the association."*

On behalf of all member firms, we warmly welcome Thierry André and all at André & Associés to the Morison KSi family!
