

Press Release

26 March 2020

Morison KSi members are uniting in the fight against COVID-19

We are proud to see that many of Morison KSi's member firms having taken the decision to implement cloud based/virtual offices through these uncertain times to protect their staff and clients – playing their part in the solution to COVID-19.

Morison KSi Upcoming Conferences

We are keeping our upcoming events under review and are considering deferring some conferences until later in the year or to 2021. More will be announced after the board meetings in the coming weeks.

Many members are announcing initiatives and statements on what they are doing to respond to, and support, their clients following the outbreak. Over the next two weeks, each of our Boards will discuss the impact of COVID-19 within their region and discuss specific help that we can offer. Let us know if you have any ideas that you would like to share or implement. These might be for you specifically or for the association as a whole. We are trying to reach out to all of you individually but would welcome hearing from you sooner.

Our members are also sharing an abundance of information on what their governments are doing to help businesses – this information could prove to be invaluable in helping guide your clients through these unprecedented times.

To ensure this information is accessible to all members, we have created a dedicated COVID-19 resource centre, with the latest resources and announcements by members, for members and their clients. Resources include announcements from governments, helpful checklists, risk assessments and webinar information. [Click the box below to find out more.](#)

COVID - 19:

The latest resources and announcements by members, for members and their clients

Members can also connect with other members instantly on LinkedIn through the [Morison KSi – Staying connected and still smiling](#) group. The members-only group allows you to share your initiatives, advice, country updates, and any other news you may have. It's also there to help boost morale and to help us keep smiling. We are all in this together so join the group and support your fellow members through this challenging time.

In the meantime, please know that we are thinking of you, and wish you and your families all the best in these uncertain times.

Best regards from the GEO team

Morison KSi is a global association providing quality, border-free professional services. Our 154 members are dynamic, ambitious and independent firms, specifically chosen because of the quality and energy of their people and practice. Together, we offer partner-led and cost-effective global reach across over 80 countries, representing a combined revenue of US\$903m.
