Morison KSi welcomes its fourth UK firm

Chris Timms - CEO - Fortus

We are thrilled to introduce our newest UK member, Fortus Business Advisors & Accountants. Not only are Fortus the newest member of our association, but they are also a completely new professional services brand with a unique and contemporary approach!

Having been a key part of top 20 accountancy firm, Haines Watts, for more than a decade, it was the creative and entrepreneurial minds around the newly formed Fortus management table that were keen to explore opportunities to create a new business and a powerful new brand. With newly recruited Executive Directors, Fortus has the freedom to explore the UK wide market, providing advisory services to business owners in a unique way.

Fortus' service offerings include not only accountancy and tax but also property & asset management, HR, talent development, business performance improvement and strategic planning. Fortus will represent Morison KSi in a number of UK locations in the East Midlands and North of England.

Commenting on the launch of the Fortus brand, Chris Timms, CEO of Fortus said:

"Fortus is made up of a team of talented individuals who have a breadth and depth of expertise. Led by an ambitious, creative, experienced and dynamic leadership team who challenge the traditional thought processes of a historical accountancy partner model."

Upon joining Morison KSi, Chairman Andy Minifie said:

"We are excited by what the future holds for Fortus' partnership with Morison KSi. It was the overall feeling of community and collaboration that led us to choose Morison KSi from a shortlist of 7 other associations and we look forward to working with, and building relationships with, member firms across the globe."
